Aids to Civil Power, Nanaimo.

AUDIT OFFICE, April 21, 1915.

SIR,—I beg to call your attention to sundry items of expenditure incurred under Aid to Civil Power vote, Nanaimo.

Duplicate payments appear as follows: Beattie & Hopkins, \$10.90 as per cheques 253 and 291; telegrams, \$3.21, as per cheques 125 and 292.

An overpayment of \$10 is made to Johnston, Ltd., per cheque 545, August, 1913, item "125 lb. bacon at 30c. = \$47.50." Two other errors (\$10 each) 8, occur in the accounts of this firm, but happen to cancel each other.

Cheque 468, W. H. Langley \$184.85, is a payment for legal services. The bill is dated January 5, 1914. Mr. Langley offers to accept \$150 as payment in full if paid within ten days. On July 6, 1914, the bill is taxed at \$142.50 by the Justice Department, but in the meantime a cheque for the full amount is issued on June 11, 1914.

Accounts for dental services are paid as follows: Dr. G. B. Brown, \$500.50; Dr. J. E. McGregor, \$562.50. As high as \$25 is allowed for treatment of one man. Explanations should be given as to governing regulations.

Tobacco and cigars, \$135.45, and champagne \$31, are included in payments made to Johnston, Ltd. These items cannot be considered proper charges against this vote.

The accounts of Simon Leiser & Co. for groceries, etc. (\$5,638.59), give practically no details as to prices or quantities.

A payment of \$540 (part of voucher 315) was made to Dr. A. C. Frost, of Ladysmith. No voucher is furnished.

The postage account of Lt.-Col. Hall is still outstanding.

An advance of \$50 to Capt. J. E. Leckie is unaccounted for.

With reference to the pay sheets, while the sum of the pay cheques agrees with that of the pay-lists, several cases appear where the amount set opposite an officer's name does not coincide with the sum for which his cheque is drawn.

Under freight charges the following items appear:—

3,160 lb., Victoria to Ladysmith, distance 58 miles, rate 27c.

3,160 lb., Ladysmith to Nanaimo " 14 " " 21c.

The latter charge, at least, is excessive.

In general, I would draw your attention to the very unsatisfactory and incomplete state of the vouchers submitted.

Though an expenditure of about \$250,000 is involved, little effort seems to have been made to safeguard this outlay. For groceries and general camp supplies alone, about \$120,000 has been expended absolutely without tender. Had the proper course been followed, it is quite evident that a considerable saving would have been effected.

I would ask that you would promptly arrange for an adjustment of the various matters to which I have referred.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Militia and Defence.

SESSIONAL PAPER No. 1

DEPARTMENT OF MILITIA AND DEFENCE, April 23, 1915.

SIR,—I have the honour to acknowledge receipt of your letter of the 21st inst., on the subject of certain payments made in connection with Aid to Civil Power vote, Nanaimo, which will receive attention.

I have the honour to be, sir, your obedient servant,

E. F. JARVIS, *Actg. D.M.*

The Auditor General.

DEPARTMENT OF MILITIA AND DEFENCE, OTTAWA, July 30, 1915.

SIR.—In reply to your letter of April 21 in regard to expenditure for Aid to Civil Power, Nanaimo, B.C., 1913 and 1914, I attach letter from the Paymaster, Military District No. 11, in explanation.

It is regretted that the overpayments mentioned in your letter were made, but, as will be seen by the paymaster's letter, there were some difficulties of organization to overcome.

Had it not been for the outbreak of war, no doubt a satisfactory explanation of most of your queries might have been given, but it would be practically impossible to do so now, owing to the fact that most of the officers concerned are at the front.

Will you kindly forward original voucher mentioned in your letter for tobacco, etc., purchased from Johnston, Ltd.?

Vouchers are enclosed herewith for payments to

Dr. A. C. Frost.....	\$540 00
W. H. Langley.....	184 85
Postage.....	100 00

I have the honour to be, sir, your obedient servant,

EUG. FISET, *D.M.*

The Auditor General.

VICTORIA, B.C., June 30, 1915.

SIR,—I have the honour to acknowledge receipt of Headquarters Observations on "Aid to Civil Power," Nanaimo account, and, after investigation, which has been necessarily limited, as most of the officers concerned are with the Canadian Expeditionary Forces, have to report as follows:—

Obs. 1 Duplicate payment to Beattie & Hopkins per chqs. Nos. 253 and 291, \$10.90.

Obs. 1a. Duplicate payment for telegrams per chqs. Nos. 125 and 292, \$3.21.

Obs. 2. Overpayment to Johnston Ltd., per ch. No. 545, \$10.

All the above are clerical errors, apparently, and are regretted. Effort is being made to recover in each case.

Obs. 3. Ch. No. 468. W. H. Langley, \$184.85. Payment for legal services. H. Q. 363 24-2 dated 13th March, 1914, returned this claim *unapproved*, as being an unnecessary expense. H. Q. telegram dated 10th June, 1914 (same file No.) reversed this decision and approved the payment of \$184. Ch. No. 468, dated 11th June, 1914, for \$184.85 was accordingly issued. H. Q. 363 24-2 dated 11th July, forwarded the decision of the Department of Justice, taxing the bill at \$142.30, and requested that a refund be obtained. Mr. Langley refused to make a refund of the alleged overpayment, and his reply was forwarded to Headquarters with 11 M.D. 81-2-2, dated 31st July, 1914. Nothing further was heard of the matter.

Obs. 4. *Account for Dental Services.* Claims were submitted properly certified by the Medical Officer in charge of troops on strike duty, and also by the Officer Commanding "Civil Aid Force." It is assumed that the Medical Officer was guided by para. 101 Regn's of the Canadian Medical Services, 1910. The matter was referred to Headquarters by 11 M.D. 81-2-2 dated 17th June, 1914, and payment authorized by H. Q. 363-24-2 of 2nd July, 1914.

Obs. 5. *Charges for tobacco and cigars, \$135.45, and Champagne, \$31—Messrs. Johnston, Ltd.* No record of these charges are available in this office. Could the original accounts be returned for investigation?

Obs. 6. *Simon Leiser & Co.* Detailed statements, so far as it was possible to obtain them, were forwarded.

Obs. 7. *Dr. A. C. Frost, payment of \$540.* Observation not understood. The voucher in question was received here attached to your letter. Should Observation read \$594, please? If so, copy of voucher will be forwarded, Dr. Frost having been requested to supply same as early as possible.

Obs. 8. *Postage Account, Lt.-Col. Hall.* No trace of original voucher in this office, please. Copy attached hereto.

Obs. 9. *Advance \$58 to Capt. Leckie.* This advance was made to Capt. Leckie pending inquiry and tracing an amount of \$50, which, it is stated by the Officer Commanding, "Civil Aid Force," was included in the usual sum of money advanced to a Capt. Clark to pay his Detachment, which included Capt. Leckie. The latter officer denies ever having received the \$50 in question. After many applications and protests from Capt. Leckie, the advance of \$50 was made by direct command of the District Officer Commanding, M. D. No. 11.

Obs. 10. This observation does not appear quite plain, please, but, assuming that it refers to the "Adjusting Pay Lists," it is possible that the balance of amount was paid in cash in each case. The Paymaster, Civil Aid Force (Lieut. Rowley) is at present serving with the C.E.F., and I am therefore unable to make a definite statement in reply.

Obs. 11. *Freight charges.* I have communicated with the Freight Agent, Esquimalt and Nanaimo Ry. Co., Victoria, who states that the rates between the points of Victoria and Ladysmith are special rates and do not apply to intermediate stations.

The charge of 21c. for this consignment between Ladysmith and Nanaimo was in accordance with tariff in force during that period. The rate of 20c., which now exists, became effective from 1st Sept., 1914.

Obs. 12. *Incomplete state of vouchers, etc.* This was due entirely, apparently to the inability of the Officer Commanding, Civil Aid Force, to procure an efficient administrative staff. I have to report that repeated requests of the Paymaster, M. D. No. 11 of that period to proceed to Nanaimo for the purpose of instituting a suitable system for dealing with the accounts of this Force were not entertained by the District Officer Commanding, M. D. No. 11. I append hereto remarks by the Officer Commanding, Civil Aid Force, on the subject of

SESSIONAL PAPER No. 1

Pay Accounts particularly, which apply also to the Accounts generally, and would add that until a Paymaster (Lieut. Rowley, 88th Regt.) was authorized and appointed to the Civil Aid Force in January, 1914, the District Paymaster was quite unable to get accounts rendered in order and in accordance with Regulations. I understand that repeated protests were made by this office to the District Officer Commanding, who, however, would not interfere, and instructed that claims were to be paid on the certificate of Lt.-Col. Hall, Officer Commanding, Civil Aid Force, who was entirely conversant with conditions in the strike area.

The Officer Commanding, Civil Aid Force, remarks on this subject on the 11th Oct.—

“ Re Pay List, Advances, etc. I have no staff or facilities to deal with such matters ”;

and on the 29th Oct., he says:

“ With reference to your remarks as to Pay-sheets, etc., I wish to point out that I am perfectly willing to adopt the system you suggest if I am provided with the necessary facilities in the way of staff. I have already pointed out to the D. O. C., the absence of a qualified Pay-Staff, without any action being taken on his part. I also wish to point out that had this been a camp of Instruction, with the work devolving on myself, such as to keep me occupied perhaps six hours a day, all questions regarding pay would have been taken up by the Paymaster direct with the Officers Commanding Units, and I can see no reason why the fact that this is a Civil Aid Force demanding from me from 12 to 18 hours daily for military duties should also put on my shoulders any responsibility of work in connection with the Pay, and, whatever the regulations may be, I have already pointed out to the D.O.C., M. D. No. 11, that it is physically impossible for me to do it.”

Apparently the Officer Commanding, Civil Aid Force, also protested personally to the D.O.C. from time to time, with regard to the matter of administration.

Obs. 13. *Excessive Expenditure, Groceries and General Supplies.* I have to report that protests were made by Capt. Foulkes, District Paymaster at that period, to the variety and form of purchases, on account of Subsistence particularly, and I understand that the explanation of the Officer Commanding Civil Aid Force was to the effect that every endeavour was being made to adhere to article 89 of the Militia Act, as shown in Appendix 1, K. R. & O., 1910. In this matter also, instructions were given by the District Officer Commanding to accept and pay claims on the certificate of the Officer Commanding, Civil Aid Force.

Finally, I should like it to be understood that it is most difficult for me to get to the bottom of matters concerning this expenditure. I was not here during the period of the strike and had nothing to do with the expenditure, and all those officers who had to do with it and who could throw any light on the subject are now away; but, from what I can learn, there was great confusion in connection with this expenditure.

Vouchers *re* Obs. 3 and 7 are returned herewith, and voucher *re* Obs. 1, 1a and 2 are retained until adjustment can be reported.

I have the honour to be, Sir, your obedient servant,

EDWIN R. TOOLEY, Maj.,

Dist. Paymaster, M. D. No. 11.

The Accountant and Paymaster General.

AUDIT OFFICE, Oct. 2, 1915.

SIR,—I am in receipt of your letter of July 30 with reference to Aid to Civil Power, Nanaimo.

At your request I enclose accounts of A. R. Johnston Co., Ltd., containing charges for champagne, cigars, etc., mentioned in my letter of April 21, 1915. These accounts are as follows:—

Aug. 17, 1913—\$15.05, \$50.20.

Aug. 19, \$3.85, \$8.90.

Dec. 31, (c. 240), \$2,500.62; (c. 345), \$896.76.

The items referred to are indicated by numbers (1—27) marked in red ink on the left margin of the accounts.

The outlay for cigars, etc., was given in my letter as \$135.45. This should read \$123.90.

I am, Sir, your obedient servant,

E. D. SUTHERLAND, for A.G.

The Deputy Minister of Militia and Defence.

SESSIONAL PAPER No. 1

DEPARTMENT OF MILITIA AND DEFENCE, OTTAWA, Oct. 7, 1915.

SIR,—Replying to your letter of Oct. 2nd regarding certain items included in accounts of A. R. Johnston Co., Limited, for supplies to the Civil Aid Force, Nanaimo, B.C., I am to advise that Lt.-Col. Hall, who commanded the Force, and Major Foulkes, who was Paymaster of the District at the time, are both away at the front. The Director of Pay and Records, C.E.F., has been written to, however, asking him to endeavour to collect the amount from Lt.-Col. Hall which was paid to A. R. Johnston Co., Ltd., for champagne, cigars, etc., \$123.90.

I have the honour to be, Sir, your obedient servant,

EUG. FISET, *D.M.*

The Auditor General.

DEPARTMENT OF MILITIA AND DEFENCE, OTTAWA, Nov. 10, 1915.

SIR,—With reference to yours of the 2nd ult., respecting an item of \$123.90 incurred by Lieut.-Col. Hall, Nanaimo, in 1913, for wines and cigars, I enclose copy of a letter from that officer in explanation.

I have instructed the overseas Paymaster, however, to deduct the amount \$123.90, from Lt.-Col. Hall's next pay and credit the Receiver General.

I have the honour, to be Sir, your obedient servant,

EUG. FISET, *D.M.*

The Auditor General.

MINISTRY OF MUNITIONS OF WAR, DEPARTMENT OF EXPLOSIVES, SUPPLIES,
STOREY'S GATE, WESTMINSTER, S.W.

SIR,—Reference to the attached correspondence I have the honour to request that I may be referred to any then existing regulation which required me or authorized me to inquire into or in any way holds me responsible for the manner in which officers expend the allowance for subsistence granted under the King's Regulations to Officers of the Contingent on strike duty. I also request that the attention of the Auditor General might be directed to the fact that the accounts he has referred to date from August, 1913, and that the War, which commenced in August, 1914, has not yet terminated, and that I am engaged on War service.

I should be very pleased if he would see if it is possible to postpone the academical discussion of these matters to the termination of the War.

I have the honour to be, Sir, your obedient servant,

J. A. HALL, *Lt.-Colonel.*

Chief Paymaster Canadian Contingents,
Westminster House.

Unauthorized Allowances to Officers attending Provisional Schools of Instruction.

AUDIT OFFICE, Oct. 25, 1915.

SIR,—I beg to draw your attention to certain items of expenditure from Pay and Allowances vote, 1914-15.

Included in the transport expenses of officers attending provisional schools I note the following:—

Cheque No.	Officer.	Transport Expenses.
3rd Div. 1725	Lt. W. D. Graham.....	27 round trips at \$2.50 = \$67.50
“ 1792	Lt. J. S. Barber.....	26 round trips at \$2.50 = 65.00
“ 4678	Lt. H. A. Ben-Oleil.....	20 round trips at \$1.75 = 35.00

These payments represent horse hire of these officers between their homes and their respective schools, for each day's attendance.

Under P. and A. Regulations, Part X, Sec. 2, para. 483, they are each entitled to payment for one round trip.

Please let me have your authority for the payments paid.

As to Lt. Barber, I would point out that, his being a city regiment (the XVth), he is not clearly entitled to any transport expenses.

I am, Sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Militia and Defence.

DEPARTMENT OF MILITIA AND DEFENCE, OTTAWA, Nov. 18, 1915.

SIR,—With reference to your letter of the 25th ult., I beg to enclose herewith copy of letter submitted by the General Staff Officer, 3rd Division. The action was approved by the Officer Commanding, 3rd Division, and confirmed by this Department.

I fully agree with their views and recommend that the payments be allowed to stand.

I have the honour to be, Sir, your obedient servant,

EUG. Fiset, D.M.

The Auditor General.

KINGSTON, Nov. 10, 1915.

With reference to the attached travelling claim and the observations thereon I beg to state as follows:

While no special authority was obtained from H.Q. for hire of horses or other mode of conveyance, it is pointed out that these officers attended a school at some little distance from their homes, between which and the centre at which

SESSIONAL PAPER No. 1

the school was held there was no railway connection. It was therefore thought that hire of horse was justified, as such a course was cheaper than permitting the officers concerned to stay at the centre at which the school was conducted and pay them subsistence for each day they remained away from their homes. More especially is this so in view of the fact that night classes only were conducted, and had the officers concerned stayed at the centre their whole time they would have practically nothing to do for the greater part of the day, and any pay and allowances received by them would therefore have been to all intents and purposes a gratuity.

Under the circumstances I would strongly recommend that the claims be authorized.

W. J. BROWN, *Lt.-Col., 3rd Division.*

The Paymaster, 3rd Division.

—
AUDIT OFFICE, Dec. 29, 1915.

SIR,—In my letter of Oct. 25, I drew your attention to the fact that, contrary to the Pay and Allowances Regulations, a per diem rate for horse hire had been paid to three officers in the Third Division attending provisional schools of instruction.

With your reply of 18th ult. you enclose a copy of a letter submitted by the General Staff Officer, Third Division.

With reference to the attitude of the Divisional Officers you observe "I fully agree with their views and recommend that the payments be allowed to stand."

In his letter, however, the General Staff Officer admits that these payments were unauthorized. He explains that the classes were held in the evening and intimates that, had the officers attending remained in town continuously during the period of the course, the expense to the country might have been greater.

As, in any event, the per diem allowance of \$1 to each officer in lieu of subsistence is all he would be entitled to, I fail to see the force of his contention.

Other officers, under similar conditions, accept the remuneration provided for by the Regulations, and I see no reason why these should be treated differently.

Attached to your letter I found copies of the accounts referred to, which I return herewith.

I am, Sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Militia and Defence.

DEPARTMENT OF MILITIA AND DEFENCE, OTTAWA, January 5, 1916.

SIR,—With reference to your letter of the 29th ultimo, I beg to inform you that the General Staff Officer based his opinion as regards the expense to the public on the following point of view. Had the Officers attended a Permanent School and remained at the place where the School was held they would have been entitled to receive pay of rank and Subsistence Allowance during the whole period of the School, whether or not there were lectures each day. As it was, they came only on days when lectures were given and drew no other amounts than those shown on the claim in question.

The procedure while convenient to the Officers concerned, placed no extra expenditure on the public, and I do not think it would be quite fair to them to call for a refund as they incurred the expense under the authority of the Officer conducting the course.

I am, sir, your obedient servant,

E. F. JARVIS,

Acting Deputy Minister, Militia and Defence.

The Auditor General.

AUDIT OFFICE, January 10, 1916.

SIR,—I am in receipt of your letter of the 5th inst. with further reference to per diem allowances for horse hire made to certain officers attending Provisional Schools of Instruction.

In your letter the following passage occurs: "Had the Officers attended a Permanent School of Instruction and remained at the place where the School was held, they would have been entitled to receive pay of rank and subsistence allowance during the whole period of the School."

This statement as to pay of rank is not borne out by Pay and Allowances Regulations, but as these Officers were attending a Provisional School any discussion of Permanent School conditions is irrelevant.

The Provisional School regulations are perfectly clear and should govern.

I am, sir, your obedient servant,

J. FRASER, A.G

The Deputy Minister of Militia and Defence.
